

PLATEAU GAZETTE.

Saturday, November 24, 1893.

The "GAZETTE" is published every Saturday, at the Publishing Office, Central Avenue, Rugby, Morgan County, Tenn.

County and General Intelligence from the whole District, and notices of local events will be most thankfully received.

Correspondence on topics of interest is invited. The name and address of the writer must accompany all communications, if no publication.

This paper is entered at the Post-office at Rugby, Tenn., as second-class mail matter.

All correspondence should be addressed to the Editors and Publishers.

DAVID & BERRY,
P. O. Box 146,
Rugby, Tenn.

LOCAL BREVITIES.

Read our Special Announcement.

Subscribe for the PLATEAU GAZETTE.

The Railroad Survey is progressing finely.

Mr. Lyons, of Skene's P. O., was in town yesterday, with his new wagon.

Mr. Dakys and wife are on a visit to Chattanooga and Lookout Mountain.

Farmer Woods and neighbor Smith paid a visit to Chattanooga the past week.

Mr. Marshall of Robbins station visits Rugby each week with a cart load of fine beef.

Mr. E. Carney, a prominent Western Railroad Contractor, is at the Tabard—this looks ominous.

Mr. Ingram Travers has been successful this week in shooting pheasants—our woods are full of game.

Don't hitch your horse to a shade tree. It takes years for a tree to grow, but a horse can ruin it in an hour.

Mr. Fardon is improving his enlarged lot—we predict it will be the finest Floral Garden in Rugby next season.

Every train on the Cincinnati Southern Railway has been behind time since the adoption of the new standard time.

An increased attendance at the Sunday school may be looked for as the time approaches for Christmas festivities.

Rev. H. H. Sneed, of Chattanooga, will administer Sacrament and Infant Baptism at the Church on Wednesday next, at 3 p.m.

Last Sunday the time on all the rail roads were changed to the new "Standard Time," which will make our time 22 minutes slower.

Mr. Hodgkinson who was here three years ago, visited Rugby last week with his bride—he thinks the future prospect of the Colony encouraging.

The piles of new lumber being hauled into town indicate building improvements. The Board of Aid are finishing up the two large frames on Central Avenue.

"Ruinous!" exclaimed an old man the other day. When asked to explain himself, he said: "It will ruin horses or cattle not to have proper shelter for them during this frosty weather."

Several Northern men have been here within the past two weeks, looking for timber lands. Many farmers in Fentress County are selling the choice timber off their lands for mere normal sums.

A private meeting held in a private room, in a private manner, on Thursday evening, resulted in private measures for establishing a Public College in Rugby, and this private clique business is just what ails Rugby—ain't it.

It would be well for the property holders of Rugby to see to their interests and have the Allardt Railroad run through, or near Rugby, as it would prove beneficial to everyone in the way of transportation, etc. It would also raise the price of property.

The morning of November 1st brought with it the first frost of the season. Looking back over the valuable meteorological reports of the late editions of this paper we find that the last Spring frost was on April 17th. This shows a growing season of twenty-eight weeks or one hundred and ninety-six days.

Think of this, Northern farmers, sowing, cultivating and reaping almost simultaneously in the rush and hurry of your Arctic Summer. Think of this, scoffers at a light soil, and weigh the results of your one crop against our two and sometimes three.

CORRESPONDENCE.

EAST RUGBY, Nov. 16.

The 'Board's' saw mill is under motion again and the familiar sound of the whistle awaketh the echoes along White Oak.

Miss Ina Giles has been engaged to teach the Rugby school.

Mr. Pierce of Orchard Grove was at S. H. Giles's on Wednesday.

Measrs. Frisbee, Kirkland and Kellogg called at the mill on Thursday.

Mr. Labon Risen has the contract of hauling logs for the 'Board.'

Nix.

Death.

Alfred Woodley Mason, the infant son of Mr. and Mrs. E. C. Mason, died of — on Wednesday evening last, at the Newbury House, and was buried in the Cemetery Thursday afternoon, 22nd inst. The burial services were performed by Layman Blacklock.

Arrivals at the Tabard for the past week:

Mr. and Mrs. W. Hodgkinson, Providence, R. I.; John P. Bucher, Thos. J. Bucher, Salimony, Ind.; A. Stephens, Allardt; J. W. Blanchard, Iowa; E. Carney, Chillicothe, Mo.; A. H. Officer, Meadville, Pa.; L. R. Savage, Chattanooga; C. O. Peters, Adrian, Mich.; Miss Bertha Bloomfield, Portland, Me.

A contemporary, who has evidently had experience whereon he writes, devotes these few lines to "newspaper puff." A doctor will sit down and write a prescription; time, five seconds; paper and ink, one-fourth of a cent; and the patient pays one, two, three, five or ten dollars as the case may be. A lawyer writes ten or twenty words of advice, and gets ten or twenty dollars from his client. An editor writes a half-column puff for a man, pays from fifty cents to a dollar for putting it in type, prints it on several dollars worth of paper and sends it to several thousand people; then surprises the pulled man if he makes any charge.—Ex.

WANTED.

A GIRL, to do general housework for a family of three. Apply to Mrs. FOWLER, at Mr. Fisher's House, Rugby, Tenn.

Old papers 50 cents per hundred.

Special Announcement.

A large proportion of the readers of the PLATEAU GAZETTE are farmers, many of whom desire a great deal more of news, than we are able to give in our limited space. To accommodate all such we have made arrangements with the publishers of the *American Farmer* to give it as a premium for one year to every subscriber of the PLATEAU GAZETTE who pays his subscription in advance. The *American Farmer* is a large 16 page paper, published at Fort Wayne, Ind., the subscription price of which is \$1.00 per year. Every farmer in Morgan, Fentress and Scott Counties should avail himself of this magnificent offer.

A child that wakes with croup should have a dose of Piso's Cure.

The Diamond Dyes always do more than they claim to do. Color over that old dress. It will look like new. Only 10 cents.

Your cough is growing worse. That soreness and pain in the throat and lungs is increasing. Better get rid of the absurd idea that anything will cure a cough or cold, and give Dr. Wistar's Balsam of Wild Cherry a trial before it is too late. It never fails to check consumption, and quickly cures all coughs and colds.

THE NEW SHORT ROUTE To Kansas and the West.

Attention is called to the new Kansas City railroad line now completed and in operation between Memphis, Tenn., and Kansas City, Mo. By this new route the south and west is brought into close relation.

Saving several hundred miles and many hours travel between the two sections. It is in fact now the only practical route from the south to all points in Kansas, Missouri, Colorado and all western states. A through train with Pullman Palace Sleeping car and elegant day coaches leaves Memphis daily, running through to Kansas City without change of cars, where it arrives in time to make connection in the Grand Union Depot with all trains leaving Kansas City. For emigrants to the Pacific coast and the Northwest, or for home seekers in Kansas and Missouri, time and money is saved by this short route as against the circuitous routes via St. Louis, heretofore the only outlet.

Special low rates are made for this class of business and all are carried through to Kansas City in first class cars on first class trains. Round trip, Land Explorers' tickets on sale at low rates. Send for the *Emigrants' Guide*, an eight page paper, giving full and reliable information in regard to Kansas and Missouri—mailed free. Address, J. E. Lockwood, Gen'l Pass. Agt., Kansas City, or H. D. Ellis, Tkt. Agt., 31 Madison St., Memphis, Tenn.

C. N. WINNER, Southern Pass. Agt. 28 Wall St., Atlanta, Georgia.

A NEW RAILROAD

BEING LOCATED FROM GLEN MARY TO THE COAL FIELDS IN FENTRESS COUNTY—WHAT IT SIGNIFIES.

Engineers are now locating a line upon which a railway will be constructed at an early day, from Glen Mary, Tennessee, on the Cincinnati Southern, to the vast coal fields of Fentress county, Tennessee.

The enterprise is in the hands of Pennsylvania capitalists of large experience and means, who by expensive drilling during seven months past, have demonstrated the extent of coal basins in that section to be immense, larger contiguously perhaps, than any known in the South and more superior in quality. To make this wealth available is the present purpose of the railway projectors, though the entire significance of the movement is not confined to this, since, by reference to the geography of Tennessee, and tracing from any point on the Cincinnati Southern Railway near Glen Mary or Sunbright, a westward course, about twenty miles, will bring you to the western escarpment of the tableland of the tableland of the Cumberland Mountains at a point known as Buffalo Cove, where the coal is accessible, and which will be a present terminus of the railway; from this point, the tableland proper, affords a most feasible route for a railway, a distance of thirty miles southwestwardly towards Sparta or Lebanon, Tenn., now connected by rail with Nashville; furthermore, an easterly course from Glen Mary on the Cincinnati Southern, a distance of less than twenty miles, brings you in contact with direct railway connection with Knoxville; hence, it is not improbable, that the short line now contemplated may prove an important factor towards securing a much needed and long talked of railway, connecting directly Knoxville and Nashville.

Fentress county, which it has been proven, contains wealth enough to warrant the construction of a railway twenty miles in length to reach it, and, from the above, it seems may result in still greater benefit to the State, has hitherto been considered inaccessible and unproductive by most Tennesseans; yet, as the projectors claim, the railway construction will be followed by the manufacture of coke and iron on a large scale, and the distribution through the South of large quantities of coal and coke, superior in quality to most of that now offered. In addition, though secondary to this, there will be a successful farmers already identified with the Anglo-German settlement of Allardt, who prospect, although highly promising at present, is thus practically settled.

An important auxiliary to the development of that section is the selection of a most charming site for a town, on the line of the new railroad to be called Allardt, which has been judiciously sub-divided, and already boasts of a post-office, two hotels, store and saw mill, and perhaps a half dozen private dwellings, among which is a very handsome residence, owned and occupied by the prime mover in the railway enterprise, whose faith in future events has been as boundless as his zeal in those of the present.—*Chattanooga Times*

A CARD.

WHO WANTS TO BUY

A BUGGY, CARRIAGE OR WAGON?

I have the cuts and full descriptions of all kinds of Vehicles and can take orders and will same at lowest Cincinnati prices, with the freight and a small commission added, can deliver at a Railway Station in a few days' notice. Call and see the styles and low prices.

A. L. ROSS, Jr., Rugby, Tenn.

The most dangerous fevers are typhoid, bilious, malarious and gastric. These all originate in the stomach, liver or bowels, and may be easily prevented. One of *Pearson's Purgative Pills* each night for a week will drive disease from the system.

If you are troubled with sores, aches, pains and general weakness of the various body functions, don't be deceived by the advertisement of bitters, kidney medicines, etc., whose certificates of pretended cures, are often paid for. Put your trust in that simple remedy called Dr. Guerin's Yellow Dock and Sarsaparilla. It will cure you by purifying the blood and strengthening the weak portions of your body. You will also find it very refreshing to the brain and nervous system. The proprietors receive hundreds of letters bestowing upon it the highest praise.

ITCHING PILES.—SYMPTOMS AND CURE.

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, seems as if pin-forms were crawling in and about the rectum; the private parts are sometimes affected. If allowed to continue very serious results may follow. "SWAYNE'S OINTMENT" is a pleasant, sure cure. Also for Tetter, Itch, Salt Rheum, Scald Head, Erysipelas, Barbers' Itch, Blotches, all scaly, crusty Skin Diseases. Sent by mail for 50 cents; 3 boxes, \$1.25, (in stamps). Address, DR. SWAYNE & SONS, Philadelphia, Pa. Sold by Druggists.

CHEAP HOMES

BOARD OF AID ESTATE,

ON THE

CUMBERLAND PLATEAU.

COMPARATIVE ELEVATION.

Cincinnati..... 550 feet above sea level.
Chattanooga..... 685
Rugby..... 1410

HEALTH AND CLIMATE.

All health seekers, whether from Northern or Southern States, should try the climate of the Tableland. The recent United States Census shows it to be almost the only district east of the Rocky Mountains, entirely free from malarial, pulmonary and intestinal diseases. The Plateau has a double climate, one resulting from latitude and the other from elevation. The air is pure and invigorating. The water is freestone; cool and sparkling. Mineral springs are numerous. The mean summer temperature is 72 deg. Fahr., and in winter 37 deg. Fahr. The nights are always cool and refreshing.

SOIL.

The soil is a sandy loam upon a mulatto clay subsoil. It is light, friable, holds manure, is easily cultivated and responds readily and generously to the least fertilizer.

CROPS AND GRASSES.

Corn, wheat, rye, oats, and barley all grow well, though this is not claimed as a grain growing soil. Tobacco is a profitable crop here, as also is sorghum. Hard grass, orchard grass, German and pearl millet, timothy and red clover have all been tried, and take hold and root well. Kentucky blue grass also thrives wherever introduced. The natural pasturage is abundant.

VEGETABLES.

Grow abundantly. Cabbage, onions, beans, sweet and Irish potatoes all make a fine crop. The Irish potatoes are unequalled by any grown in America. Sweet potatoes and onions yield 500 bushels per acre.

FRUIT AND GRAPE CULTURE.

This region is especially adapted to fruit, and particularly to the winter apple and the grape. The apple crop here has never been known to fail. The trees are healthy, and the fruit smooth, plump, juicy and firm, rarely ever speckling or rotting. The grape is also a sure crop where proper varieties are planted. The vines are robust, and the grapes make excellent wines, which are in good demand. These two fruits are destined to become the great staple products of the future. Strawberries, blackberries, raspberries, currants, cherries, plums, and nearly all the small fruits thrive and bear prolifically.

STOCK AND SHEEP RAISING.

The excellent natural pasturage, good drainage, abundance of running water and freedom from flies make these occupations eminently suitable and remunerative.

Stop feeding stock or eight months in the year. Come South, where you can buy cheap lands, work outdoors all the winter and turn your stock into the woods most of the year.

LAND.—TITLES WARRANTED AND DEFENDED.

The Board of Aid Estate, centrally situated on this plateau, consists of 35,000 acres of grazing, farming, fruit raising and vine growing lands.

IT SHOWS TEN MILES OF FRONTAGE ON THE CINCINNATI SOUTHERN RAIL ROAD, WITH FOUR DEPOTS LOCATED ON IT.

The lands enumerated below are being offered in tracts suitable to all purchasers, at low figures and with deferred payments.

Board lands on the Clin. So. R.R., west of Glen Mary Station. About 3,000 acres of very desirable land fronting on the Clin. So. R.R. is here laid out in 100 acre farms. No farm is more than three miles from either Sunbright or Glen Mary, or, in the latter, are adjacent the Crooke Coal mines, employing 200 men and with an out-pit of twelve car loads per day. Glen Mary has 200 inhabitants, three stores, telegraph station and post-office, and is stopped at by all trains, four passenger and four freight daily. Good and ready market, with best shipping facilities for either agricultural produce or lumber and tan-bark.

Also several fine tracts of land fronting and lying on the east side of the C.S.R.R., and half a mile south of Glen Mary.

Board lands on the Clin. So. R.R., west of Sunbright. These lands lie directly south of the above and are close to the thriving town of Sunbright, with 200 inhabitants, two hotels, Masonic Lodge, six stores and post-office. They are well watered and timbered, and have excellent market, shipping and especially lumbering facilities.

Board lands on the Clin. So. R.R., half a mile east of Robbins Station. Splendid timbered lands; rich soil and abundant pasturage. Underlying this tract is the Robbins Coal vein. These lands will be sold for farming, lumbering and mining purposes, in tracts of a size to suit purchasers.

RUGBY.

Founded in 1890, has many social advantages, viz., two good hotels, one Church and School Building, Public Library with 6,000 volumes, Large Commissary, Drug Store, Weekly Newspaper, Post office with two mails per day, and also numerous good and attractive villa residences. Choice building lots are now being offered at very reasonable prices.

Sedgemoor, the station for the above, has also been laid out in town lots, and the Board is prepared to offer liberal inducements to persons settling there for manufacturing or business purposes. Sedgemoor has two stores and boarding houses, and promises to be a flourishing town in the near future. The C.S.R.R. has just put in there a siding, 1,500 feet long.

The Board's Rugby lands comprise several tracts lying west on Rugby, in Morgan and Fentress Counties, as well as all their territory between Rugby and Sedgemoor and Robbins, on the C.S.R.R. These lands are traversed by the Rugby and Sedgemoor Place, a graded road, seven miles long and pronounced the best dirt road in Tennessee, and are, on account of the superior communication, as accessible to the railroad as the less remote lands of the Board. They are situated on the direct and in winter, only line of traffic from the C.S.R.R. to Jamestown, Livingston, Elma and Byrdstown, respectively the county seats of Fentress, Overton, Clay and Pickett Counties.

CONCLUSION.

The past season has been eminently successful as regards all farming and gardening operations, the crops being invariably full and of excellent quality. We invite all interested persons to correspond with settlers now upon the ground.

Maps and plans can be seen at the Board's Office on Central Avenue.

Intending settlers will be most liberally dealt with, and any information cheerfully given by

SWAYNE'S Ointment is superior to any article in the market. Sold by druggists, or sent direct in Sect. Stamp, 3 Boxes, \$1.25. Address, Dr. SWAYNE & SONS, Philadelphia, Pa.

THE RUGBY DRUG SUPPLY

Is opened for the supply of Pure and Genuine Drugs and Chemicals; and, in seeking the support of his fellow-citizens, the Proprietor feels he may refer with confidence to an experience of twenty years in all branches of the business. No pains will be spared to ensure purity and accuracy in the manufacture of Pharmaceutical Preparations, whilst in the compounding of Physicians' Prescriptions and Family Recipes the greatest care will invariably be observed.

It is impossible to give a list of every Drug and Chemical kept on hand, it will be sufficient to say that every Medicine, for which there is a demand, may be obtained, and that the stock is as varied as any in Tennessee.

Patent Medicines.

The following PATENT MEDICINES of repute are kept in stock, but any article not mentioned will be procured, if wanted, with as little delay as possible, and without extra charge to the purchaser:—

Ayer's Cherry Pectoral
Roback's Blood Purifier
American Liniment
Sellers' Cough Syrup
